

Odor Control and Drain Line Maintenance

To tackle any residual odor from continuous usage as well as keep the urinal drain lines free flowing, we came up with Magic- your very own liquid plumber!

Magic is quite literally magical, not only does it eliminated foul odor which arises from spillages and normal usage, but it also boosts the action of the Bio Block by keeping the drain lines free flowing and clean.

BIODOC™ Odofresh Magic degrades uric salts in the drain pipe and constantly react with ammonia to convert it to odourless gas.

Directions for use:

- **Shake well before taking out into the spray bottle.**
- **Shake well before use**
- Spray on the inside surface of urinal pots every three hours or as per usage frequency.

Benefits:

- Easy to use
- Controls residual odor resulting from usage
- Keeps drain lines unclogged
- Pleasant fragrance keeps washrooms fresh!
